Sir,

I have the honour to submit herewith the file of correspondence received with the Hassan District Deputy Commissioner's letter No. F.3.354 dated the 27th July 1919, regarding the unauthorised export of horsegram from Banavar to Bombay and also this office file of papers in original enclosure with letter No. T. .642/19 dated 20th July 1919 from the District Traffic Superintendent, Dharwar and to request that orders of Government may kindly be obtained with reference to the requisition of the Deputy Commissioner of Hassan District for the prosecution of the exporters of horsegram under the Defence of India Regulation and as regards the adequacy or otherwise of the punishment meted out to the Station Master, Banavar by the Railway authorities. As regards the conduct of the Station Master, I feel that the reply given by the District Traffic Superintendent is not a sufficient answer and the conduct of the Station Master deserves serious notice.

From

To

The Agent,

M. and S. M. Ry., Co. Ltd.,

M a d r a s.

Sir,

Under instructions from the Government of Mysore, I have the honour to address you on the subject of the booking of large quantities of horsegram from Banvar to Bombay via Mormugao in contravention of the rules issued by the Government of Mysore under the Defence of India Regulation. The facts of the case will be apparent from my letter No. 2609 of the 25th July addressed to the Deputy Traffic Manager, M. and S. M. Railway, Dharwar, and the reply No. T.M.643/19 of the 30th ultimo received from the District Traffic Superintendent, Dharwar. The export of horsegram from the State, except on priority certificates issued by me, has been prohibited by Government and this is known to all station masters. Nevertheless the Station Master at Banavar has aided and abetted in the export of a considerable quantity of horsegram in violation of the Defence of India Regulation. It is stated by the District Traffic Superintendent that the Station Master concerned has been transferred from Banavar. I trust you will agree with me in holding that a mere transfer cannot be said to be a sufficient punishment. I would, therefore, request that adequate notice may be taken of the Station Master's conduct by suitable disciplinary action, or if you prefer it the Station Master will be prosecuted under the Defence of India

India Regulation for aiding and abetting the offence of unlicensed export of controlled foodstuff.

I have the honour to be,

Sir

Your most obedient servant,

Sd/- K. Matthan,

Director of Civil Supplies
in Mysore.
